## About the Double 50

A sturdy, double-sided profile that can be wall-mounted, freestanding, or suspended. This profile is often used in combination with acoustic material.

## The advantages

- ✓ Sturdy profile
- ✓ Available with acoustic material
- ✓ Suitable for large formats
- ✓ Combine open and closed together

Double 50 Double-sided textile frame

# Mounting

## Wall-mounted

Wall mounted frames with just one textile.

## Freestanding

Freestanding frame with a textile on both sides.

## Attached to the ceiling

Frames suspended from the ceiling. Both horizontal as well as vertical suspension is possible.

---

# Finish

## Open

The outer groove facilitates the usage of accessories.

## Closed

An even finish. If desired, holes can be drilled in the profile so that accessories can be attached.

---

# Stabilizers

## Stabilizers

In order to guarantee the stability of the frame, stabilizers must be placed in the frame. This way the construction is sturdy.
